There has been received your letter addressed to Mr. Houston dated 6 March 1953. In his absence I am acknowledging your letter.

I note that you have completed the Form 57 and returned it. In the meantime, there was received a letter from Bob Clark concerning you.

I have mentioned your name to appropriate people in the Personnel office and am sure that you will receive all consideration.

Very truly yours,

25X1A

Acting General Counsel
